New Bethany

A not for profit residential care and Medicare Certified skilled nursing community for older adults, regardless of sex, race, color, religion, national origin or ancestry, is committed to offer personalized care to its residents according to their physical, social, emotional, intellectual, and spiritual needs in a healthy, safe, supportive and Christian environment.

New Bethany has been designed with a keen eye for the quality and detail one expects in a home for the future.

Telephone, satellite TV, and internet hook-ups, comfortable lounging and courtyard areas where residents can relax and socialize in the company of family, friends and staff, have been integrated in New Bethany.

Each resident can carry an emergency call pendant that will alert the staff immediately when help or assistance is needed. In addition, New Bethany offers the state of the art security and emergency systems.
